

First UOS Annual Research Arena 2024

The “First UOS Annual Research Arena 2024” aims to fulfill following objectives, fostering a dynamic research environment and contributing to the University of Sargodha mission of academic excellence and advanced research ecosystem.

1. To encourage research community by nurturing and cultivating a robust research culture within University of Sargodha
2. To promote multidisciplinary collaboration, and the exchange of knowledge among researchers, students, and academics hailing from diverse fields
3. To create networking opportunities that not only foster business connections but also encourage cooperation between the industrial and academic sectors while enhancing skills
4. To encourage invention revolves around fostering creative thinking, problem-solving, and the development of innovative solutions for contemporary challenges
5. To actively engage the community, stakeholders, and the general public in our research activities and initiatives, thereby demonstrating the institution's unwavering commitment to societal improvement.
6. To promote and encourage ethics in research by advocating for the adherence to international research ethical standards and responsible conduct
